

390 Hi-Boy

Graco's Entry-Level Sprayer Now on a Hi-Boy Cart!

PROVEN QUALITY. LEADING TECHNOLOGY.

Graco's 390 is now available on a Hi-Boy!

The 390 is a workhorse sprayer built for the professional who demands performance and durability in a sprayer. Now on a convenient Hi-Boy cart, the 390 Hi-Boy can now be easily rolled in, on and around the jobsite. The 390 Hi-Boy also has the added benefit of direct immersion, allowing for quicker priming of all materials.

RETRACTABLE HANDLE

Retracts for compact storage and doubles as a hose wrap

HIGHER PERFORMANCE

Supports .021 tip, .47 gpm, 3300 psi

LIGHTED POWER PLUG

Quick, positive indication that sprayer has power

EASY OUT™ FILTER

On-board manifold filter with 8.1 square inches of filtering area – 125% more than competitive models, no-tools access

HI-BOY CART

Chrome coated, welded steel construction to withstand the rugged jobsite environment

PAIL HOOK

Allows 5 gallon pail to move with sprayer while on the jobsite
