

MLX™

Mobile Automatic Lubrication System

The Graco MLX Advantage

- Delivers the right amount of grease at the right time
- Space saving design puts everything in one unit
- Simple to install and easy to use
- Refillable, one liter grease reservoir or a convenient, disposable grease cartridge for fast, easy and clean refills. No tools or refill pump required!

Designed for Simplicity and Performance

Introducing the MLX Lubrication System

The MLX is a compact system designed for lubricating small and intermediate sized vehicles with up to 12 lube points. Durable, impact-proof and corrosion resistant enclosure for years of dependable operation.

Complete packages with all the hardware included to make installation easy. We even provide a reservoir full of NLGI #00 grease to get you on the road fast!

**Compact.
Simple.
Affordable.**

1. Install pump and lines
2. Connect to power source
3. Get on the road!
